Congrats to our amazing cast! A reminder that every role is important in telling our story. There are no small roles, only small actors. We will have a read/listen through on Tuesday where we can better understand and learn about our characters.

Groups 1 and 2 will each be playing multiple roles. Group 1 will be playing Sea creatures, flower/ bugs, and spades and clubs. Group 2 will be playing tweedle friends, unbirthday guests, and hearts and diamonds. The full cast should plan on learning music for the prologue, scene 1, scene 8 and the epilogue.
