

Welcome. We are so excited to have your child registered for our fall musical production of: The Most Epic Birthday Party Ever!

During our rehearsal process we will learn and grow as performers while working toward a collective goal: learning and performing The Most Epic Birthday Party Ever! Our process will culminate in live performances for families and friend to enjoy. We can't wait to get started.

We strive to make the audition process as relaxed and fun as possible. We want every student to feel that they have had a chance to be seen and heard. Nothing needs to be prepared for auditions. Once your child is registered they are part of the production. Auditions are to determine who will play which role.

The information below explains how our program works, and what we expect from students and parents who participate.

All information about the current production and our program can be found on our website, superstarproductions.org. If you have any questions, please contact us at superstarproductionsma@gmail.com

We look forward to seeing your child at auditions!

Our Expectations from Parents:

We could not make all the elements of the production come together without our wonderful family volunteers. We would appreciate any help you are willing to give.

- ❖ Signups for volunteer roles will be sent to Parent Emails. Thank you!
- ❖ Parents we would also love your help in encouraging practicing of music, lines and dances at home.

Our Expectation from Actors:

Being part of a play is a big commitment. It is also a huge learning opportunity. Our students learn that every single person in the show is part of a close-knit team. That team can only succeed if everyone is committed toward the same goal. When actors are prepared, it shows that they respect their fellow teammates as well as their directors.

PRACTICING AT HOME

- Actors are encouraged to become familiar with the music at home. Recordings of the music will be available on the Superstar website at superstarproductions.org.
- Once dances are taught, we will post videos online that actors can use for review
- Once we have taught a scene or a song we would love those to be off book (memorized the following week)
- Music and rehearsal videos will be posted on our website: <https://superstarproductions.org/>

REHEARSAL ATTENDANCE

- We have a short rehearsal process and attendance is very important for all actors. When an actor is missing from rehearsal it affects the whole cast.
- **Tech week for this show will take place on November 2,4,5. All actors must attend rehearsals EVERY DAY during this time.**
 - Tech week is when the actors work with the set, as well as with costumes, lights, and microphones.
